Their administrative powers are also subject to various restrictions.

In the Manipur State both civil and criminal jurisdiction over British subjects vests in the Political Agent. But the President of the Durbar, who is a British Officer lent to the State, has been invested with the powers of a Magistrate of the first class in respect of British subjects who are natives of the Naga, Chin or Lushai Hills, and he is also empowered to dispose of all civil suits in which such persons are concerned. In all these States the Political authorities concerned possess the jurisdiction always vested in the Paramount Power in criminal matters relating to British subjects, Europeans and Americans, and Government servants.² But they possess further residuary jurisdiction in the different States as shown in the following account:—

¹ So styled here for convenience of classification, the "Agency" in each case being a British District the Collector of which is *ex-officio* Political Agent for the States named in the corresponding entry.

The States of Mudhol, Sangli, Miraj (Sr. & Jr.), Jamkhandi, Kurundwad (Sr.), Ramdurg and Kurundwad (Jr.) (Southern Maratha Country).

Akalkot (Sholapur).

Aundh and Phaltan (Satara).

and Savantvadi (Belgaum).

}

Satara Jaghirs.

Also exercise full jurisdictional powers except that the sanction of the Political Agent is required for the trial of persons other than subjects of the State for capital offences. The administration of justice in the Satara, Southern Maratha Country and Savanur Jaghirs by the Jaghirdars concerned does not affect the powers of political supervision which vest in the paramount power as such and in virtue of the several agreements existing between the British Government and the Jaghirdars.

The State of Surgana (Nasik) exercises civil jurisdiction to any extent, but in criminal matters the Deshmukh is permitted to try all cases arising in his State except those of a serious nature, such as murder, dacoity, and other offences punishable under the Indian Penal Code with imprisonment exceeding 5 years, and excepting also cases under Chapters VI, VII and XII of the Code. These are referred to the Poli-

¹ In Kolhapur, civil cases against the higher Sardars are dealt with by a joint Court consisting of the Maharaja and the Resident (Treaties, 4th Edition, Volume VII, page 252). The restoration to the Kolhapur Durbar of jurisdiction in its feudatory jagirs, viz., Bavda Ichalkaranji, Kagal (Senior and Junior), Kapshi, Torgal, Vishalgarh and the Himmat Bahadur and Sarlashkar Bahadur jagirs, which was begun in 1903 (*ibid*, page 253) has been completed by allowing cases from those areas involving sentences of death or of imprisonment for more than seven years to be disposed of by the Kolhapur Courts instead of by the Resident.

² Under Government of India, Foreign and Political Department Notification No. 61-I., dated the 22nd January, 1924—

- (1) the original and appellate criminal jurisdiction over European British subjects of His Majesty for the time being within the Khairpur State is exercised by the Court of the Judicial Commissioner, Sind, and
- (2) a Justice of the Peace for the time being for the Khairpur State commits for trial to the Court of the Judicial Commissioner, Sind.

tical Agent, who decides whether the offence in question should be tried by the Agency or should be disposed of by the Deshmukh. Where the Deshmukh tries cases of importance other than the above it is open to the Political Agent to tender him advice if it should appear that in any particular case an injustice has been done. The Political Agent and his Assistant exercise the powers of a Sessions Judge and an Assistant Sessions Judge respectively.

The 14 Estates of the Dangs (Surat) exercise petty civil and criminal jurisdiction. The Dangs Divan possesses Second Class Magisteria powers and power to try civil disputes relating to property not exceeding Rs. 50 in value. In the absence of the Assistant Political Agent he investigates all complaints of criminal offences and sends up for trial only those in which there is *prima facie* sufficient evidence. The Assistant Political Agent has the powers of a First Class Magistrate and power to try any civil dispute not triable by the Dangs Divan. The Political Agent exercises all higher criminal jurisdiction.

In the non-jurisdictional estates, of which there are 26 (excluding sub-villages) in the Mahi Kantha and 41 in the Rewa Kantha, jurisdiction vests entirely in the British Government represented by the political authorities. The estates are grouped (often along with minor jurisdictional States) into Circles (Thanas) in charge of Thandars as Sub-divisional Officers under the orders of the Political Agent and his Assistant or his Deputy Assistant.

The Administered Areas are—

Sadra Bazar in the Mahi Kantha, and
Kolhapur Civil Station in Kolhapur.

The various railways are included in the Western Division of Railways in the classification in Volume VIII.

In 1874, an agreement¹ was concluded with the Idar State under which a weir in the River Hathmutti and a canal through Idar territory were constructed and civil and criminal jurisdiction within canal limits was delegated to the British Government.

- (b) to mortgage, charge, lease or alienate the Estate or any part thereof;
- (c) to grant valid receipts for the rents and profits arising or accruing therefrom.

VII. Publication of notice to claimants against Estate.—Within fifteen days from the date of his appointment, the Manager shall publish in such manner as may be most effective a notice in Gujarati calling upon all persons having claims against the Estate-holder or the Estate to present their claims in writing to the Manager within three months from the date of the publication of the notice. He shall also cause copies of the notice to be posted up in the Thanadar's kacheris in the district in which the Estate is situated.

VIII.—Filing of claim.—Every claim so presented shall be in writing; shall be explicit; shall give all the particulars within the claimant's knowledge; and shall, wherever practicable, be supported by every document upon which the claimant relies. The Manager may refuse to accept documentary evidence not adduced with the statement of claim at the time when it was presented.

IX. Entries in books.—If the document relied on be an entry in any book, the claimant shall produce the book to the Manager together with a copy of the entry. The Manager shall mark the book for the purpose of identification, and after examining and comparing the copy with the original and recording a certificate on the copy to that effect, shall return the book to the claimant, and the certified copy shall be kept with the statement of the claim.

X. Effect of not filing claim within prescribed time.—Every claim other than a claim by Government not filed within the time and in the manner prescribed in Rule VIII shall be deemed to have been duly discharged and shall be for ever barred:

Extension of time.—Provided that it shall be within the competence of the Manager to allow to any claimant a further period of three months within which he may satisfy the Manager that he had good and sufficient reasons for not filing his claim within the prescribed period.

Every order for allowing an extension of time under this Rule shall be recorded by the Manager in writing and in the form of a proceeding shewing his reasons for allowing the extension.

When the Manager refuses to allow an extension of time under this Rule he shall record his reasons for such refusal in writing.

XI. Enquiry into claims.—When a claim has been duly presented, the Manager shall endorse the statement of claim in his own handwriting and number in its order of priority. As soon as the period within which claims may be presented has expired, the Manager shall, without delay, enquire, in their due order so far as may be, or other-

wise, as may best suit the public convenience, into all the claims that have been presented against the Estate.

XII. Nature of enquiry.—Subject to the provisions of Rule XX such enquiries shall, in all cases, be conducted in accordance with the following principles:—

- A. The first point to be ascertained, wherever possible, shall be the amount of the principal sum originally lent by each creditor. The history of each claim should be studied carefully and traced as accurately as possible with a view to obtaining such information.
- B. When the Manager has satisfied himself as to the amount or approximate amount of the principal, he shall allow upon it 6 per cent. simple interest per annum from the date of the loan to the date of the notification issued under Rule III, and the aggregate sum so arrived at, and nothing more, shall be the sum awarded under these rules: provided that in no case shall the amount of the interest awarded be in excess of the principal.
- C. If owing to the deficiency of the income of the Estate, it cannot provide for all debts or cannot pay the interest due at the prescribed rate within the aforesaid period of 20 years, such reduction shall be made (1) in the rate of interest, and (2) in the admitted principal debt, as may be necessary for the proportional liquidation of all debts in their several orders within the said specified period.
- D. If it appear that the debt was incurred by the predecessor in title of the Estate-holder without his concurrence and was not subsequently recognized by the Estate-holder, the claim shall be dismissed:

Provided that in cases in which the Estate-holder is a minor it shall rest with the Political Agent or Superintendent to recognize any debts which may seem to him reasonable.

XIII. Dismissal of claim.—If it appear that the interest already received by any claimant amounts to double the principal, or to the principal plus 6 per cent. compound interest, the claim shall be dismissed.

XIV. Procedure.—Subject to the above general principles, the investigation and settlement of all points of detail shall rest with the Manager. The procedure to be followed shall, as nearly as may be convenient, be the procedure followed by Civil Courts in adjudicating upon civil claims. But the Manager will always have considerably more latitude than a Civil Court in dealing with evidence; as, for instance, in going behind bonds for the purpose of ascertaining what sums were really advanced to the Estate-holder.

XV. Investigation of merits of claim.—Subject to the provisions of Rule XX, the Manager will carefully investigate the real merits of every claim and satisfy himself that, where a debt appears to be for value received, value really was received: and that where a debt appears to be for service rendered, the service was rendered and was equivalent to the money value sought to be recovered.

XVI. Refusal to award interest if accounts unsatisfactory.—It shall be within the competence of the Manager to refuse to award interest in any case when he finds that the accounts are not satisfactory. When the advance of the principal cannot be satisfactorily traced, a deduction of 50 per cent. is to be made from the amount of the debt as it appears at the time when first there is satisfactory proof of it.

XVII. No interest payable in absence of express provision.—In absence of a special provision for interest, no interest shall be allowed.

XVIII.—Disallowance of interest in certain cases.—All payments made by the Estate-holder to the claimant, or profits which have been enjoyed by such creditor towards the liquidation of any debt or liability, shall be deducted from the principal sum of the debt or liability, and interest on an amount equal to such deducted sum shall be disallowed from the time of such payment or enjoyment, and the Manager shall be empowered to decide on the amount of profits realized under such enjoyment, after examining such proofs as are presented to him.

XIX. Appointment of Committee of Enquiry.—The Manager may, with the previous sanction of the Political Agent or Political Superintendent, appoint, with such rates of remuneration as may be reasonable, a Committee of three native gentlemen of experience, two at least of whom shall not be in the service of the Agency, to assist the Manager in deciding what claims are admissible and to what amount under these Rules, any expenditure incurred under this Rule shall be deemed to be a part of the expenses of management.

XX. Recognition of decree of Civil Court.—In any case where debts have been awarded against the Estate-holder by the decree of a competent Civil Court before the Estate was declared to be an encumbered Estate, the Manager shall accept the decree as conclusive proof of the amount therein awarded: Provided that—

- I. The Manager shall be empowered, if he has reasonable ground for believing that the amount decreed is more than twice the amount of the original debt, to go behind the decree and enquire into the history of the transaction, with liberty to reduce the amount of the claim to such sum as will represent the original debt, *plus* interest thereon to an equal amount, *minus* any sums paid on account, in satisfaction either of principal or interest.

II. The Manager shall be empowered, in preparing the liquidation scheme under Rule XXIII, to reduce the decretal amount in conformity with a general rateable reduction of all debts due by the Estate-holder.

III. The Manager shall likewise be empowered to reduce the rate of interest awarded by the Court which made the decree to the same general rate of interest as is allowed by Rule XII.

XXI. *Liquidation of debts.*—Debts shall be liquidated in order of priority subject to the following provisos:—

(a) Debts secured on the Estate shall take precedence of all debts not so secured.

(b) Decreed debts shall take precedence of bonded and account debts.

(c) Bonded debts shall take precedence of account debts.

(2) Provided also that all debts shall be liable, in case of necessity, to rateable reduction under Rule XII, clause C.

XXII. *Application of Limitation Law and Registration Rules.*—In dealing with all claims against an encumbered Estate, the Manager shall be guided by the Limitation Law, if any, and the Registration Rules, if any, for the time being in force in the Agency or Superintendency Courts, so far as they may be applicable.

XXIII. “*Liquidation Scheme.*”—As soon as the total amount of debts and liabilities has been finally ascertained, the Manager shall, without delay, prepare and submit to the Political Agent or Political Superintendent a schedule of such debts and liabilities in the order in which it is purposed to pay them off, and a scheme to be called “the Liquidation Scheme,” showing the manner in which it is proposed to pay and discharge the said debts and liabilities out of the available revenues of the Estate, after making provision for all expenses incidental to the management, including the payment of Government tribute and other dues, charges for establishment, repairs and improvements, allowance for the maintenance and education of members of the Estate-holder’s family, and for necessary ceremonial observances.

XXIV. *Sanction and publication of Scheme.*—The Political Agent or Political Superintendent may, thereupon, immediately, or after such further enquiry as he may direct, sanction the Liquidation Scheme in the form of which he finally approves. And the Political Agent or Superintendent shall thereupon, without delay, publish the Liquidation Scheme in the most effective manner with a notification that he has sanctioned it.

XXV. *Effect of notification.*—The effect of such public notification shall be to extinguish finally all debts other than Government dues owned by the Estate-holder and every claimant shall be entitled to receive

under the Liquidation Scheme, the amount (if any) finally awarded to him therein, in respect of his claim and nothing more.

Provided, however, that if the condition of the Estate shall at any subsequent period during the management be found sufficiently prosperous to justify payments considerably larger than those awarded in liquidation of debts, nothing in these Rules shall be deemed to debar the Political Agent or Political Superintendent from making a supplementary award on the general principles hereinbefore approved.

XXVI. Recovery of mortgaged property.—The Manager shall be empowered to require any mortgagee in possession of any part of an encumbered Estate to deliver up his possession to the Manager at the close of the revenue year during which the Estate came under these Rules, and on failure of the mortgagee so to surrender possession, to summarily evict him, or any person obstructing or resisting on his behalf, from the said portion of the encumbered Estate.

Nothing in this Rule shall be held to affect the right of such mortgagee to receive under the liquidation scheme the amount (if any) awarded to him.

¹[XXVII. Death of Estate-holder.]—If the Estate-holder dies after these rules have been applied to his Estate, and before the management has terminated, all claims against the Estate shall be extinguished except:—

- (a) Government debts.
- (b) Debts which may have received the approval of the Political Agent, as described in Rule XII (D).

Provided that the Political Agent may, notwithstanding, after such enquiry as he may think fit, approve retrospectively and allow any claim in respect of a debt incurred in the indisputable interest of the family or Estate.]

XXVIII. Appeal against Manager's act or order.—An appeal from any act done or order made by the Manager shall lie within six weeks to the Political Agent or Political Superintendent and the order passed on such appeal shall be final.

XXIX. Establishment of auditors and others.—The Manager shall be assisted by a sufficient establishment of auditors, sub-managers and other subordinates, and may depute to them such duties as the Political Agent or Political Superintendent may determine: Provided that all such subordinates as may be entrusted with the collection or custody of money shall furnish adequate security. The Estate-holder or any member of his family shall, with the Political Agent's or Political Superintendent's sanction, be eligible for employment under this Rule.

XXX. Manager and subordinates to be "public servants."
Manager's proceedings deemed to be "judicial proceedings".

¹ Substituted by Resolution of the Bombay Government, No. 6058, dated the 8th August, 1921.

Every Manager appointed under these Rules and every subordinate of such Manager shall be deemed to be a public servant within the meaning of the Indian Penal Code. And every investigation conducted before a Manager in respect to any claim preferred under these Rules, or to any matter connected with such claim, shall be deemed to be a judicial proceeding within the meaning of the Indian Penal Code.

XXXI. Suits barred in respect of bona fide act under Rules.—No suit or other proceeding shall be maintained against any person in respect of anything done by him *bona fide* in pursuance of these Rules.

XXXII. Summoning of witnesses and production of evidence.—For the purpose of any inquiry under these Rules the Manager may summon and enforce the attendance of witnesses, and may compel them to give evidence, and compel the production of documents and accounts by the same means, and as far as possible in the same manner, as is provided in the case of a Civil Court by the Code of Civil Procedure.

XXXIII. Saving of jurisdiction of Agency and Superintendency Courts.—Nothing in these rules shall exclude the jurisdiction of the Agency or Superintendency Courts in suits relating to the succession to or to a coparcenary interest in any Estate to which these rules have been applied: Provided that in all such suits the Manager of the said immoveable property shall be made a party to the suit, and that no Court shall entertain any such suit without the sanction of the Political Agent or Political Superintendent.

XXXIV. Ordinary powers of Manager.—During the period of management the Manager shall ordinarily exercise the same powers in respect to the encumbered Estate as the Estate-holder formerly exercised. He shall conduct the management under the control of the Political Agent or Political Superintendent and will in all cases submit for his information and approval such estimates, accounts and other returns as the Political Agent or Superintendent may require.

XXXV. Relinquishment of management.—At any time before he has sanctioned a liquidation scheme under Rule XXIV the Political Agent or Superintendent may publicly notify that on a date fixed by such notification the management shall be relinquished.

On the date so fixed—

- (a) the management shall terminate;
- (b) the owner of the property under management shall be restored to the possession thereof subject to any leases made;
- (c) any residue of the rents and profits of the said property shall be paid to him; and
- (d) the proceedings, processes, executions and attachments stayed and suspended under Rules V and X and the debts and liabilities barred by Rule X shall revive

In calculating the periods of limitation applicable to suits to recover and enforce debts and liabilities revived under this section, the time during which the management has continued shall be excluded.

Proviso as to Rewa Kantha and Mahi Kantha Agencies.—Provided that this Rule is not applicable to, and shall not be applied to, any Estate in the Rewa Kantha Agency, and that nothing in this Rule shall render any tribute-paying Estate in the Mahi Kantha Agency liable to any proceedings, processes, execution, or attachments to which it would not otherwise be liable.

XXXVI.—Termination of management.—When the debts and liabilities mentioned in the liquidation scheme have been paid and discharged as therein provided, or extinguished under Rule XXVII, the Political Agent or Superintendent, as the case may be, shall, unless the Estate-holder (or his successor in interest) is then a minor, upon a report from the Manager, publish a notice fixing a date for the termination of the management. In cases in which the Estate-holder (or his successor in interest) is a minor the date to be fixed for the termination of the management shall not be earlier than that on which the minority will terminate.

XXXVII. Restoration of Estate to Estate-holder.—On the date so fixed the management shall terminate and the Estate-holder (or his successor in interest) shall be restored to possession and enjoyment of his Estate.

¹[**XXXVIII.** No suit shall lie against any estate which shall have been under management under these rules on any contract, agreement, or renewal bond entered into or executed after the termination of such management, if the original consideration for the said contract, agreement or renewal bond was any debt owed by the estate-holder during the period of management, or any promise made by him during the said period, or the payment of any sum or the incurring of any obligation for or on behalf of the said estate-holder or any member of his family during the said period, unless such contract, agreement or renewal bond was made by the order or with the previous written approval of the Political Agent, and in any suit by or against an estate-holder on any such contract, agreement, or renewal bond, the Court shall have power notwithstanding any recitals in the documents, to enquire into the nature of the consideration for such contract, agreement, or renewal bond.]

Mahi Kantha Agency Political Court Rules, 1907.

No. 5044, dated the 18th July, 1907.—In exercise of the power and jurisdiction delegated by the Government of India, Foreign Department, Notification¹ No. 2859-I. A., dated 19th June 1903, and of all other powers enabling him in this behalf the Governor in Council is pleased, in supersession of all previous rules on the subject, to prescribe with effect from 1st September 1907 the following Rules for defining the jurisdiction (original and appellate) to be exercised by the Courts of the Mahi Kantha Agency, for regulating the right of appeal, limitation by time and payment of Court-fees by parties in regard to political suits and appeals.

I.—COURTS.

The Courts of the Mahi Kantha Agency, which are empowered to hear and dispose of political suits or appeals, are—

- (1) The ²Assistant Political Agent's Court.
- (2) The Political Agent's Court.

II.—JURISDICTION OF COURTS.

2. The following suits should ordinarily be considered political:—

- (i) Suits to which Chiefs from 1st to 3rd class may be a party.
- (ii) Cases affecting the interests of the tributary Chiefs of whatever class in regard to sovereign rights, jurisdiction, tribute or allied payments, maintenance to the members of the Chief's family, compensation for injury done by outlaws or highway robbers (Waltar), territory, boundaries, political status or prerogative.

Explanation.—Claims for inheritance or partition of estates in the families of Chiefs, other than those specified in clause 1 above, should ordinarily be heard as civil suits, but this does not include cases which raise the issue of a right to succession to a Chiefship, to which jurisdictional powers are attached, or an issue of inheritance to, or partition of, any estates in which a jurisdictional Chief or tribute-paying Talukdar has an interest, direct or indirect.

3. The Court of the Assistant Political Agent, Mahi Kantha, possesses an original jurisdiction in political suits of all descriptions without limit as to value.

4. Political suits should be filed in the Court of the Assistant Political Agent, Mahi Kantha (whose jurisdiction for such purpose extends in the whole Agency in which the cause of action arises as the lowest Court

¹ Printed *supra*, p. 68.

² The powers of the Assistant Political Agent are now exercised by the Deputy Political Agent, see *Bombay Gazette*, 1925, Pt. I, p. 369.

competent to try them), but the Political Agent may transfer a suit for trial from the Court of the Assistant Political Agent to his own Court, if considered necessary.

5. If the Assistant Political Agent considers that a suit which has been filed as a political suit should be heard as a civil suit, he shall refer the question to the Political Agent, whose decision, subject to the general or special orders of Government, shall be final. Any party to a suit may also apply to the Political Agent for an order that a political suit shall be heard as a civil suit.

III.—APPEALS.

6. An appeal shall lie from the decision of the Assistant Political Agent's Court to the Court of the Political Agent, Mahi Kantha.

7. A further appeal shall lie to the Governor in Council in all political cases.

IV.—LIMITATION.

A

Appeals to the Political Agent, Mahi Kantha.

8. The period for presenting appeals to the Court of the Political Agent from the decisions and orders of the Assistant Political Agent in political cases of which the matter in litigation is of a kind that would ordinarily form the subject of a civil suit or matter for orders by civil courts, shall be limited to sixty days with the same qualifications as to the calculation of the period as apply to ordinary civil cases.

9. Where such questions as sovereignty, jurisdiction, tribute, territory, political status or prerogative are involved, a period of four months will be allowed, with such further extension in any case as in the judgment of the Political Agent may appear just and reasonable.

B

APPEALS TO GOVERNMENT.

10. The period for presenting appeals to Government from the decisions of the Political Agent in political cases, of which the matter of complaint is either of an administrative or miscellaneous nature or of a kind, which would ordinarily form the subject of a civil suit or matter for orders of Civil Courts as between private individuals, shall be ninety days with the same qualifications as to the calculation of the period as apply to ordinary civil cases. All applications to Government for review of a decision by Government shall be governed by a like limitation.

11. Where such questions as sovereignty, jurisdiction, tribute, territory, political status or prerogative are involved, a period of six months will be allowed for the presentation of an appeal against the decision of the Political Agent, but the appellant must obtain a certificate from the

Political Agent within thirty days of receipt of his decision that the case is of a nature which entitles it to this extended period of limitation.

N.B.—It must be borne in mind that while periods to limit the right of appeal in political cases are prescribed so as to bind the parties, the Governor in Council reserves discretion to direct at any time further enquiry in any political case or matter if it appears to him that there are good grounds for doing so.

V.—MANNER OF SUBMITTING APPEALS AND REJOINDERS.

12. Appeals to the Governor in Council shall be submitted to the Political Agent in triplicate, accompanied by authenticated copies of the judgments and decrees of both the Lower Courts and by certified translations of any documents on which the suit has been brought or which may be relied on in appeal.

13. The Political Agent shall not call upon the respondent to submit a rejoinder to the appeal until it has been asked for by Government. If Government call for a rejoinder the Political Agent shall cause one copy of the special appeal to be served on the respondent with a notice requiring him to submit in duplicate to the Political Agent any reply he may wish to make within thirty days from the service of such notice: provided that such time may be extended to ninety days in all at the discretion of the Political Agent.

VI.—COURT FEES.

14. No Court-fee for the institution or filing of political suits or appeals or applications at any stage of the proceedings connected therewith shall be levied from the parties concerned: Provided that when—

- (a) the suit is brought by any unprivileged person whose claim is rejected or otherwise fails, and
- (b) the Court which passes the final decision considers that such claim was false and vexatious or that there was no reasonable or probable ground for the same:

such Court may order the recovery from such unprivileged person of Court-fees for the institution of the suit at the rates which would be leviable under the scale of the fees for the time being in force under the Agency Civil Court Rules.

(2) If any person admitting the execution of a document refuses to endorse the same, the Registering Officer shall nevertheless register it, but shall at the same time endorse a note of such refusal.

The order of the Registrar and the Political Agent on appeal shall be final.

28. The petition shall be dealt with as a plaint under the Code of Civil Procedure. The Court shall fix a day for disposal and shall inquire—

- (1) whether the document has been executed, and
- (2) whether the requirements of the law for the time being in force have been complied with on the part of the petitioner so as to entitle the document to registration.

29. If it finds that the document has been executed and that the said requirements have been complied with, the Court shall order the document to be registered, and if the document be duly presented for registration within 30 days after the making of such order the registration shall be made as hereinbefore provided.

30. A Registrar or the Political Agent may, for the purpose of any enquiry under Rule 28, summon and enforce the attendance of witnesses and compel them to give evidence and he may also direct by whom the whole or any cost of such enquiry shall be paid and such cost shall be recoverable as costs in a suit.

No. 3409, dated the 6th June, 1913.—1. All lands uninterruptedly held as wholly or partially exempt from land revenue from before the year of the Treaty, *viz.*, 1812 A. D., and then in the authorised possession of a son or grandson in male descent or male heir of the body of such grandson of the original grantee shall be continued to be so held so long as there shall be in existence any male heir of the body of the person who was incumbent at the time of the Treaty, provided the grant is supported by a document which is proved or about the genuineness of which no doubt exists.

2. All lands uninterruptedly held as wholly or partially exempt from land revenue since the Treaty of 1812 and before the year 1848 A. D., and then in the authorised possession of a son or male heir of the body of a son of the original grantee should be continued on an annual payment which shall not ordinarily be less than half the assessment, so long as there shall be in existence any male heir of the body of the person who was incumbent during the aforesaid period, provided the grant is supported by documentary evidence which is proved or about the genuineness of which no doubt exists.

3. If any land wholly or partially exempt from land revenue is held by a widow or any other female heir of a male grantee before the year

¹ Substituted by Notification No. 2818, dated the 26th August, 1925. *Bombay Government Gazette*, 1925, Pt. I, p. 2300.

1848 A. D., it shall be continued to her during her life time subject to the provisions of Rules Nos. 1 and 2.

4. Land held as wholly exempt from payment of revenue or on partial assessment the possession of which by the grantee is not continuable under the preceding rules should be resumed. The holder should however not be deprived of the possession if he agrees to pay assessment as fixed on adjoining assessed lands.

5. All lands held wholly or partially exempt from land revenue from the State before the year 1848 for the support of temples, mosques and charitable institutions should be continued for so long only as the income from the same is utilized for the purpose of the temples or mosques or charitable institutions for the support of which the grant is made.

6. All lands held wholly or partially exempt under any deed of grant executed after 1848 A. D., will be resumed and allowed to be enjoyed by the present occupants and their heirs on payment of assessment as fixed on adjoining lands of similar quality.

7. Lands granted as rent or partially exempt from land revenue by any Talukdar will be so continued during the life time of that Talukdar and will be liable to resumption at the option of the successor or the original grantor.

8. If any land has been mortgaged or sold by any Talukdar before the year 1848 A. D., but after the year 1812 A. D., and if the document is duly proved, the holder will be entitled to get back his mortgage money or the purchase price in case the said land is resumed subject to the provisions of the Encumbered Estate Rules of the Agency.

9. If any land has been mortgaged or sold after the year 1848 A. D., and if the Talukdar executing the document is dead, the land will be liable to be resumed and, if so resumed, the mortgagee or the vendee will not ordinarily be entitled to get back the mortgage money or the purchase price.

10. If there be no document regarding any grant of land between the year 1812 and 1848 A. D., but the undisputed possession of the land acquired between those years by any lineal descendant of the original grantee for upwards of 60 years is proved, such grant shall be continued to the male heirs of the original grantee on payment of half the assessment.

11. As no Chief or Talukdar in the Mahi Kántha Agency has the power to alienate his land by sale or otherwise without the sanction of Government so no sale or other alienation of land by a private individual will be recognised without such sanction.

12. If any Jiwai lands held by Bhayats for maintenance have been sold by any Bhayat, the sale shall be null and void and the land shall be liable to resumption by the successor or reversioner. The mortgage of the Jiwai land or its produce by a Bhayat during his life time will be

recognised by his successor or reversioner, only if such mortgage has been agreed to in writing at the time of making it, by his successor in title if of full age at the time of concurrence, or by his successor in title subsequent to his succession, or by the Talukdar, or has been sanctioned by the Political Agent.

13. Lands granted for service to village servants shall be continued to them so long as the service is performed according to the exigencies of the village from time to time. If such land has passed out of their hands by sale or mortgage, the transaction shall not be recognised and the land shall be liable to resumption or to full assessment.

14. Land alienated by a Talukdar for building purposes shall not be liable to resumption so long as the land thus alienated is used for the purposes for which it was granted or the alienee or his heirs or assigns continue to pay the dues according to the custom of the Taluka.

15. Nothing in these rules shall be deemed to affect leases of land for agricultural purposes.

16. In the case of Managed Estates and non-jurisdictional Talukas in the Thana Circles, the Political Agent may empower any qualified Manager or Thandar in charge of the Estate or Thanas concerned to investigate the titles of the persons holding or claiming the possession or enjoyment of lands held wholly or partially exempt from land revenue and to submit his report to the Political Officer in charge of the Estate or Taluka, who will pass orders in accordance with these Rules. Where the Manager or Thandar concerned is not so empowered it shall be the duty of the Political Officer in charge of the Managed Estate or non-jurisdictional Taluka to hold such investigation and pass orders thereon.

An appeal shall lie to the Political Agent in respect of the orders passed by the Political Officer under this rule.

17. Cases already decided, in which orders have been duly passed and executed and in which no appeal has been preferred, will not be re-opened under these rules.

18. A notice will be issued to any person holding or claiming to hold any lands, or any interest therein, wholly or partially exempt from payment requiring him personally or by the Agent to show his title.

19. Service of notices will be effected in the same manner in which notices in revenue cases are served.

20. Proceedings held under these rules shall be regarded as judicial proceedings.

21. An appeal shall lie, in respect of orders passed by the Political Agent under rule 16, to the Commissioner, Northern Division, whose decision in every case shall be final.

22. The procedure as regards calling witnesses, etc., will be as prescribed in the Civil Procedure Code.

Exceptions.—It shall not be necessary for the following persons to obtain a vakalatnama for the purpose of appearing, pleading and acting in the capacities respectively mentioned hereunder:—

- (d) When a person appears, pleads, or acts on his own behalf, or appears or acts by his recognised Agent under rule 2 of Order III of the Code of Civil Procedure, 1908.
2. Where a pleader has filed a vakalatnama at the original hearing of a proceeding, it shall not be necessary for him to obtain a fresh vakalatnama for the purpose of an application for review of judgment, or of an application under section 144 or section 152 of the Code of Civil Procedure, 1908, or under Order XLV in the First Schedule to the said Code.
3. When a pleader is prevented for any reason from appearing in any proceeding in which he has been retained, he may appoint another pleader to appear on his behalf and the hearing shall proceed unless the Court see reason to the contrary.
4. If a party engages a pleader to act on his behalf, he shall present him with one rupee as a retaining fee for which the pleader shall grant him a written acknowledgment specifying the date of payment, and if the said retaining fee be not offered, the pleader shall demand it, and abstain from any proceeding until it be paid.
5. If after receiving a retaining fee a pleader shall engage with or act for any other party whose interest in the case is adverse to that of his client, or refuse or omit to appear, plead or act on behalf of his client, he may be punished with a fine not exceeding rupees five hundred (Rs. 500); or if the matter in litigation be of less value than Rs. 250, then not exceeding twice the amount of the sum in dispute between the parties.
6. No order shall be passed under rule 5 except after an investigation recorded in writing, nor by an officer lower in grade than Deputy Political Agent. Officers subordinate in rank to a Deputy Political Agent shall forward their proceedings to their Divisional Officer who shall pass orders. An appeal shall lie to the Political Agent in all cases.
7. Where the circumstances are of an aggravated nature the Political Agent may suspend the pleader or withdraw his sanad. No punishment inflicted under these rules shall be deemed to preclude any party from taking any legal proceedings in respect of any loss or injury sustained by him in consequence of the act or omission of any pleader engaged by him.
8. It shall be incumbent on a pleader, at the time of receiving from his clients any accounts, writings, or documents, to give written receipts for them, and to restore them when required, under penalty of a fine not exceeding Rs. 100, to be awarded by the officers specified in rule 6. If the circumstances are of an aggravated nature the Political Agent may suspend the pleader or withdraw his sanad. But in every matter in which costs are due to a pleader by his client which have been or are capable of being taxed the pleader shall as against his client be entitled

to a lien for the amount of such costs, as taxed, upon all documents come into his possession in the course of his engagement in connection with such matter and for which he has given a receipt as required above.

9. Each pleader employed in prosecuting or defending an original suit, or a regular or special appeal, shall be entitled to a percentage on the amount sued for according to the rates specified in Appendix C, as remuneration for his trouble in acting on behalf of his client, until the decree in the suit is passed, and thereafter until such decree is fulfilled.

10. If an acknowledgment of the demand is entered, or a suit or appeal withdrawn without being brought to trial, the pleader shall be entitled only to one-quarter of the prescribed fee.

11. As against an opposite party, the fees may be considered costs of the suit, but they shall not be so considered as between a pleader and his own client. A pleader shall be left to his remedy by regular suit against his own client.

12. Any party may engage two or more pleaders to conduct his suit or defence; but the party found liable in costs shall not be answerable for more than the prescribed fee of one pleader on behalf of the other party.

13. Where in any proceeding there are several parties having the same interests or putting forward the same defence they shall not, if awarded costs, be allowed more than one set of pleaders' fees on party and party taxation unless the court directs otherwise.

14. Nothing in these rules shall preclude an express agreement being entered into between a pleader and his client for either a larger or smaller sum than the prescribed fee; but no excess over the prescribed fee shall be levied as costs of the suit.

15. No pleader shall tender, give, retain, or consent to retain any gratification for procuring or having procured the employment of himself or of any other pleader in any legal business.

16. No pleader shall—

- (a) take instructions in any proceedings except from the party on whose behalf he is retained or from some person who is, within the meaning of the Code of Civil Procedure, 1908, the recognised agent of such party, or from some person authorised by such party to give such instructions, or
- (b) accept any employment in any legal business through a person who has been proclaimed as a tout.

17. It shall be competent to a party at any time to withdraw the authority vested in a pleader to act in his behalf on giving the Court notice in writing to that effect; but it shall not be competent to a pleader to withdraw from acting on behalf of his client without the consent or the special permission of the Court.

18. If a pleader is unable to attend the Court in consequence of indisposition or other necessary cause, he shall notify the same to the Court in writing, in which case proceedings in the suit shall be stayed for such time as the Court deems reasonable, to enable the party to transfer by endorsement or otherwise his power-of-attorney (either temporarily or until the suit is terminated) to another pleader;

Provided that in proceedings in which a party is represented by more than one pleader and one of such pleaders is present, the Court may proceed therewith; any pleader absenting himself without written notice as above prescribed may be punished with a fine not exceeding Rs. 100 to be adjudged by the officers specified in rule 6.

19. In any proceeding in which a pleader ceases, temporarily or permanently, to act for his client, because he has accepted Government service, or has been permitted to withdraw from the proceeding, or has been suspended or dismissed, or has died, or for any other reason, the proceeding shall be stayed in the same manner as is prescribed in rule 18.

20. It shall be lawful for a pleader (approved by the Political Agent for that purpose) to act on a general vakalatnama on behalf of jurisdictional Chiefs provided a duplicate of the vakalatnama be deposited with the Political Agent. In all other cases, the vakalatnama must be for the particular case, and a general vakalatnama shall not be recognised.

21. These rules shall take effect from the date of publication.

Application of the Kathiawar Agency Limitation Law, 1890.

The Kathiawar Agency Limitation Law, 1890, as amended by Bombay Government Resolution No. 174, dated the 29th January, 1923, was applied to the Mahi Kántha Agency with effect from the 1st March, 1924 by Bombay Government letter No. 174-B., dated the 15th March 1924.

Rules for the custody, supply and sale of adhesive stamps and stamped papers.

No. 743, dated the 2nd June, 1925.—In exercise of the powers delegated under the Indian (Foreign Jurisdiction) Order in Council, 1902, by the Governor General in Council in the notification¹ of the Government of India in the Foreign Department, No. 2859-I. A., dated the 19th June 1903, and of all other powers enabling him in this behalf, the Governor in Council is pleased in supersession of all previous rules and orders on the subject to prescribe the following rules for the custody, supply and sale of adhesive stamps and stamped papers in the Mahi Kántha Political Agency.

1. The Huzur Treasury is the Local Dépôt for the custody and sale of Stamps for which indents from the officers noted below will be complied with. Stamps for the aforesaid areas shall be supplied from the Central Dépôt at Bombay on the indent of the officer in charge Central Dépôt at Sadra.

1. Political Agent's Office.
2. Senior Deputy Political Agent's Office.
3. District Deputy Political Agent's Office.

¹ Printed *supra*, p. 68.

4. Huzur Deputy Political Agent's Office.

5. Thandars.

6. Deputy Thandar, Mahisa.

2. The Superintendent of Stamps, Bombay, on receiving an indent from the Local Depôt, shall have it examined to ascertain that it is such as to ensure the Local Depôt having a proper supply and may comply with the indent in full or in part as he thinks fit. If he thinks that the indent should be increased, he should request the officer who submitted the indent to submit a supplementary indent.

3. There shall be a Local Depôt at Sadra for the custody and sale of Stamps.

4. The Local Depôt shall, unless the Political Agent, Mahi Kantha, otherwise directs, maintain a supply of stamps not less than the probable consumption of ten months.

5. As soon as the number of stamps in the Local Depôt falls below the number issued from the Depôt in the preceding twelve months, the officer in charge of the depôt shall prepare an indent for a supply equal to the probable consumption of six months. The indent shall show in separate columns for each denomination of stamp, of which a supply is required, the total of the balance in the Local Depôt, the quantity sold in the preceding twelve months, and the quantity indented for, which should be approximately one-half of the quantity sold in the preceding six months. This indent will be forwarded direct to the Superintendent of Stamps, Bombay.

6. As soon as possible after the arrival of a supply of stamps from a central depôt, the officer in charge of the local depôt shall personally examine the outward appearance of the boxes or packets and satisfy himself that they bear no marks of having been tampered with. He shall then have the boxes or packets opened in his presence and the contents of each box or packet counted either by himself or in his presence immediately on its being opened. In no case must a second box or packet be opened until the contents of the first have been completely examined and verified and placed in the proper receptacles as required by the rule. The number and value of stamps received shall be compared by the officer in charge with the invoice submitted, or with the indent passed, and a receipt shall be sent not later than seven days after the arrival of the stamps to the officer who sent the stamps.

7. The Officer in charge shall personally count with his own hands all stamps not received in sealed packets of the value of Rs. 25 and upwards. Stamps below the value of Rs. 25 which are not received in sealed packets with unbroken seals may be counted either by the Officer in charge or in his presence. In the case of stamps received in sealed packets marked as containing a certain number of stamps, one packet in ten of each denomination shall be opened and counted at the time of

receipt by the Officer in charge or in his immediate presence. If all those counted be found correct, the remainder may be left, with seals unbroken, to be counted when given out from custody, under double lock. The Officer in charge is responsible for observing any such instructions and for satisfying himself as to the number of stamps received before signing the receipt. The inside wrappers of packets of stamps, which bear the initials of the officers through whose hands the packets passed before issue, should invariably be preserved till the whole contents of the packets have been examined and found correct.

8. If any of the stamps received are found to be unfit for issue, they should be at once returned to the Superintendent of Stamps, Bombay. Stamps which are through any accident rendered unfit for issue at any time after receipt should be similarly returned to the Superintendent of Stamps, Bombay, as soon as their unfitness is discovered. The necessary entries on account of stamps so returned should be made in the monthly statement and in the *plus* and in the *minus* memoranda.

9. Immediately after the stamps received have been counted, they shall be placed in proper receptacles in the store under double lock in the presence of the officer in charge, arranged in parcels and packets containing known quantities, the amount and the value of each denomination being entered at the same time in a register maintained to show the receipts and issues to and from the store under double lock. These entries shall be checked by the officer in charge at the time the stamps are deposited, and the correctness of the arithmetical calculations of additions to balance, as well as for the values compared with quantities, shall be verified and initialled by him at the time. The register shall then be placed with the stamps in the double lock receptacles and shall not be removed therefrom, nor shall any entries be allowed to be made therein except in the presence of the officer in charge.

N.B.—In all cases where stamp registers have to be checked the actual check of quantities against values is a very important one, the correctness of the calculations of value must be tested in detail, either by actual multiplication, or by use of correctly prepared tables and this check should never be omitted. This remark applies also to such of the following rules as prescribe a check of this kind. It is not necessary that the complete checking should be done by the officer himself. It will be sufficient, if the officer personally checks 10 per cent. of the entries in each class of stamps leaving the remaining entries in each class to be checked by a subordinate under his supervision,

10. The registers of receipts and issues of stamps from the stores under double lock should be in the form prescribed in the Civil Account Code. The entries in these books should be made by the Treasury Officer, Mahi Kantha. Every entry of receipt should correspond with the Invoice, and should show from whence the stamps were received, and every entry of issue should be vouched for by a passed *ex-officio* vendor's indent. A balance should be struck after each entry at the time of receipt or issue and attested by the signature or initials of the officer in charge who shall invariably be present during the whole time that the store under double locks or any part of it remains open.

11. The treasurer shall be the *ex-officio* vendor of Mahi Kantha Agency Court Fee Stamps and stamped papers. Sales to various offices mentioned in Rule 1 or to licensed Vendors shall not be made direct from the double lock, such sales being made by the Treasurer from the supply entrusted to him for this purpose, to be kept by him under single lock, as prescribed in the following rules.

12. The stock to be made over to the *ex-officio* vendor to be kept by him under single lock should ordinarily be sufficient for the probable demand of the month. The *ex-officio* vendor shall maintain a register of receipts and issues from single lock in the same form as the double lock register, and on a fixed date near the beginning of each month he will prepare an indent for the quantity for the month in a form showing the balances in his hands, an average month's consumption and the quantity required. When this indent is presented to the Officer in charge, he will examine the single lock register, check the correctness of the arithmetical calculations made therein and compare the balance shown with the actual balance in the *ex-officio* vendor's hands. If he approves the indent he shall then give out the quantity required from the store under the double lock, check the correctness of the entries made in the double lock register, see that they correspond with those made in the single lock register, initial both registers and return the double lock register into the double lock store. When it is necessary to issue stamps from the store under double lock more than once in one day the above checks need only be applied at each time of issue to the particular description of stamps issued. But at the end of each day, the officer in charge should verify the whole balance of stamps in the *ex-officio* vendor's hands and check his registers. The same procedure shall be followed if any stamps should be required at any intermediate date.

13. From the stock so made over to his charge and kept by him under single lock, the *ex-officio* vendor shall sell stamps to licensed vendors for cash. He shall maintain the single lock register in the form mentioned in the preceding paragraph in English, entering therein both in quantities and values the receipts from the double lock, the daily sales and balances in his hands of each denomination at the end of each day. The *ex-officio* vendor's register shall be balanced daily and the balance shall be attested by the initials of the officer in charge. Before signing this register the officer in charge shall see that all issues from the store under double locks have been brought to credit, and that the values of stamps written off as sold have been credited in the cash accounts. At the close of the last working day of each month, an abstract showing briefly the transactions of the month and containing (1) opening balance, (2) receipts during the month, (3) sales during the month and (4) closing balance, should be entered in the register after the last entry. The officer in charge shall verify the entries and certify that he has personally examined and counted the stamps of all descriptions in store, and that the transactions during the month have been correctly recorded.

14. Besides the offices mentioned in paragraph 1 above these stamps and stamped papers will be issued to approved vendors for sale. They will be allowed a discount at the rate of one anna per rupee: and they shall have to maintain and furnish accounts.

15. (a) Every licensed vendor shall with his own hands write on the back of every stamp embossed or engraved on stamped paper which he sells a serial number, the date of sale, the name and residence of the purchaser, the value of the stamp in full in words and his own ordinary signature; at the same time he shall make corresponding entries in a register, to be kept by him in the following form:—

Date.	Serial No.	Description of Stamps	Value of Stamps	Name of purchaser.	Residence of purchaser

(b) No vendor shall knowingly make a false endorsement on the stamp sold or a false entry in his register.

16. (1) Every stamp vendor shall, whenever any person purchases a stamp embossed or engraved on stamp paper, invite the purchaser to affix his thumb impression under the vendor's endorsement of sale on the stamp and also opposite the entry of the sale in his sale register.

(2) No new license to sell stamps embossed or engraved on stamped paper shall be granted and no expired license shall, after a time to be specified in this behalf, be renewed, except on satisfactory proof that the applicant or licensee can take a clear thumb impression.

17. (1) Whenever application is made to a stamp vendor for stamps embossed or engraved on stamp paper of a specified value and not exceeding the highest value which such stamp vendor is authorized to sell, he shall if he is able, furnish a single stamp of the required value.

APPENDIX C.

The fees on plaints, petitions of appeal, and applications presented to the Civil Courts of the Mahi Kantha Agency will be computed and levied in accordance with the following rules and regulations:—

(1) The amount of fee payable in the suits next hereinafter mentioned shall be computed as follows.

(2) In suits for money (including suits for damages or compensation or arrears of maintenance or arrears of annuities or of other sums payable periodically) according to the amount claimed.

(3) In suits for maintenance and annuities or other sums payable periodically according to the value of the subject-matter of the suit, and such value shall be deemed to be ten times the amount claimed to be payable for one year.

(4) In suits for moveable property other than money where the subject-matter has a market value according to such value at the date of presenting the plaint.

(5) In suits—

(a) for moveable property where the subject-matter has no market value as for instance in the case of documents relating to title;

- (b) to enforce the right to share in any property on the ground that it is joint family property;
- (c) to obtain an injunction;
- (d) for a right to some benefit (not herein otherwise provided for) to arise out of land; and
- (e) for accounts.

according to the amount at which the relief sought is valued in the plaint or memorandum of appeal.

(6) In suits for the possession of land, houses and gardens according to the value of the subject-matter and such value shall be deemed to be—

- (a) where the subject-matter is land—ten times the gross produce arising from the land during the year next before the date of presenting the plaint. The rate of one rupee per bigha or third part of an acre may be considered to be the average annual gross produce, unless the Court considers that the rate is obviously insufficient;
- (b) where the subject-matter is a house or garden according to the market value of the house or garden.

(7) In suits for Vero or Manu Mapu or for the interest of an assignee of land revenue or for Haks arising out of the land, ten times the gross produce.

(8) In suits to set aside an attachment of land or of an interest in land or revenue according to the amount for which the land or interest was attached, provided that where such amount exceeds the value of the land or interest, the amount of fee shall be computed as if the suit were for the possession of such land or interest.

(9) In suits against a mortgagee for the recovery of the land mortgaged and in suits by a mortgagee to foreclose the mortgage according to the principal money expressed to be secured by the instrument of mortgage.

(10) If the Court sees reason to think that the annual gross produce or the market value of any land, house or garden has been wrongly estimated, the Court may, for the purpose of computing the fee payable, issue a commission to any proper person directing him to make such local or other investigation as may be necessary and to report thereon to the Court.

(11) If, in the result of any such investigation, the Court finds that the gross produce or market value has been wrongfully estimated the Court, if the estimation has been excessive, may in its discretion refund the excess paid as such fee.

But if the estimation has been insufficient the Court shall require the plaintiff to pay so much additional fee as would have been payable had the estimate been right.

In such case the suit shall be stayed until the additional fee is paid. If it is not paid within such time as the Court shall fix, the suit shall be dismissed.

(12) In suits for mesne profits, or for immoveable property and mesne profits, or for an account if the profits or amount decreed are in excess of the profits claimed or the amount at which the plaintiff valued the relief sought, the decree shall not be executed until the difference between the fee actually paid and the proper fee (payable if the suit had comprised the whole of the profit or amount so decreed) shall have been paid to the Court.

(13) Where the amount of mesne profits is left to be ascertained in the course of the execution of decree if the profits so ascertained exceed the profits claimed, the further execution of the decree shall be stayed until the difference between the fee actually paid and the fee which would have been payable (had the suit comprised the whole of the profits so ascertained) is paid. If the additional fee is not paid within such time as the Court shall fix, the suit shall be dismissed.

(14) Every question relating to valuation, for the purpose of determining the amount of any fee chargeable under these rules on a plaint or memorandum of appeal, shall be decided by the Court in which such plaint or memorandum, as the case may be, is filed and such decision shall be final as between the parties to the suit.

But whenever any such suit comes before a Court of appeal, reference or revision if such Court considers that the said question has been wrongly decided to the loss of the Fee Fund, it may require the party by whom such fee has been paid to pay so much additional fee as would have been payable had the question been rightly decided and the provisions of rule 11 shall apply.

(15) If an appeal or plaint which has been rejected by the Lower Court is ordered to be received or if a suit is remanded in appeal for a second decision by the Lower Court, which had thrown it out on a preliminary point, the Appellate Court shall grant to the appellant a certificate authorizing him to receive back the full amount of fee paid on the memorandum of appeal:

Provided that if in the case of a remand on appeal the order of remand shall not cover the whole of the subject-matter of the suit, the certificate so granted shall not authorize the appellant to receive back more than so much fee as would have been originally payable on the part or parts of such subject-matter in respect whereof the suit has been remanded.

(16) Where an application for a review of judgment is admitted and where on the rehearing, the Court reverses or modifies its former decision on the ground of mistake in law or of fact, the applicant shall be entitled to a certificate from the Court authorizing him to receive back the fee paid on the application.

But nothing in this rule shall entitle the applicant to such certificate where the reversal or modification is due, wholly or in part, to fresh evidence which might have been produced at the original hearing.

(17) When any appeal is presented to a Civil Court, not against the whole of a decision but only against so much thereof as relates to a portion of the subject-matter of the suit, and on the hearing of such appeal the respondent takes an objection to any part of the said decision other than the part appealed against, the Court shall not hear such objection until the respondent shall have paid the additional fee which would have been payable had the appeal comprised the part of the decision so objected to.

(18) Claims for inheritance, maintenance from or partition of estates which have not hitherto supported the jurisdictional rights of a ruling Chief may, unless the Political Agent thinks fit to withdraw them, be heard as Civil suits.

(19) No document of any of the kinds specified in the annexed Schedules as chargeable with a fee shall be filed, exhibited or recorded in any of the Courts of the Mahi Kantha Agency, or be received or furnished by any Political Officer, unless in respect of such document there be paid a fee of an amount not less than that indicated in the said schedules as the proper fee for such document.

(20) All fees referred to in the annexed Schedules shall be collected by means of stamps.

(21) No document requiring a stamp under the annexed Schedules shall be filed or acted upon in any proceeding in any of the Mahi Kantha Agency Courts until the stamp has been cancelled.

Such officer as the Court or the head of the office may from time to time appoint shall, on receiving any such document, forthwith effect such cancellation by punching out the figure head so as to leave the amount designated on the stamp untouched and the part removed by punching shall be burnt or otherwise destroyed.

2. The cultivation of the poppy or the manufacture of opium within the territory of the.....State is prohibited.
3. The import of opium from any place outside the State limits is prohibited except under a pass signed by the Political Agent².
4. The export of any opium to any place outside the State limits is prohibited, except under a pass signed by the Political Agent.
5. The transport from one place to another within the State limits of any quantity of opium exceeding in weight such maximum quantity as the Darbar has undertaken to prescribe is prohibited, except under cover of a permit granted by a duly authorised officer.

¹ These Regulations have been adopted by the Chiefs in the jurisdictional States.

² The maximum quantity of licit opium which persons entering the limits of the States, Talukas and Thana Circles can carry with them for personal use is 3 tolas (Government letter No. 2522, dated the 30th March, 1906).

6. Except as provided in clauses 7 and 8 (i) no person shall have in his possession any opium other than opium purchased from the Darbar or from a farmer or licensed vendor, (ii) no person, not being a farmer or licensed vendor, shall have in his possession more than such maximum quantity of opium as the Darbar has undertaken to prescribe.

7. Clause 6 does not apply to—

- (i) opium in transit covered by a permit under clause 5,
- (ii) opium imported according to rule during transit to its destination.

8. There may be granted (a) to any medical practitioner a license for the possession of opium for medical purposes only; (b) to any person a special permit authorising him for a specified period to have in his possession, for private consumption only, a specified quantity of opium in excess of such maximum quantity as the Darbar has undertaken to prescribe.

9. No person shall sell opium without a license to this effect, provided that any medical practitioner to whom a license has been granted under clause 8 may sell opium in quantities not exceeding in any one transaction such maximum quantity as the Darbar has undertaken to prescribe as medicine or in medical preparations.

10. No person shall sell opium exceeding such maximum quantity as the Darbar has undertaken to prescribe to any person not legally authorised to possess the same.

11. No licensed vendor shall sell more than such maximum quantity as the Darbar has undertaken to prescribe of the inspissated juice of the poppy, or of any preparation or admixture thereof, or of any intoxicating drug prepared from the poppy or more than 5 seers of poppy heads, except to a licensed vendor or a farmer or to a medical practitioner or other person holding a special permit granted by the Darbar under clause 8.

12. Licenses for the sale of opium shall be granted by the Darbar only; such license shall contain such conditions as the Darbar may think fit to impose. Such conditions may from time to time be varied so as to assimilate them to those in force in British territory.

13. Licenses for sale shall be granted for one year only, or the right to sell opium may be farmed for a period not exceeding five years.

14. Any person who, in contravention of these regulations,

- (a) cultivates the poppy, (b) manufactures opium, (c) possesses opium, (d) transports opium, (e) imports or exports opium, (f) or sells opium, (g) and any person who otherwise contravenes such regulations,

shall, on conviction before any officer duly authorised by the Darbar, be punished for each such offence with imprisonment, either simple or rigorous, for a term which may extend to one year, or with fine which

may extend to one thousand rupees, or with both, and where a fine is imposed, the convicting officer shall direct the offender to be imprisoned in default of payment of the fine for a term which may extend to six months, and such imprisonment shall be either simple or rigorous and in excess of any other imprisonment to which he may have been sentenced.

15. In prosecutions under the preceding clause, it shall be presumed, until the contrary is proved, that all opium, for which the accused person is unable to account satisfactorily, is opium in respect of which he has committed an offence under these regulations.

16. In any case in which an offence under clause 14 has been committed:—

- (a) the poppy so cultivated,
- (b) the opium in respect of which any offence under the same clause has been committed,
- (c) where, in the case of an offence under head (d) or (e) of the same clause, the offender is transporting, importing or exporting any opium exceeding the quantity (if any) which he is permitted to transport, import or export, as the case may be, the whole of the opium which he is transporting, exporting or importing,
- (d) where, in the case of an offence under clause (f) of the same clause, the offender has in his possession any opium other than the opium in respect of which the offence has been committed, the whole of such other opium,

shall be liable to confiscation.

The vessels, packages and coverings in which any opium liable to confiscation under this clause is found and the other contents (if any) of the vessel or package in which such opium may be concealed, and the animals or the conveyances used in carrying it, shall likewise be liable to confiscation.

17. When the offender is convicted or when the person charged with an offence in respect of any opium is acquitted, but the officer trying the case decides that the opium is liable to confiscation, such confiscation may be ordered by him.

When an offence against these regulations has been committed, but the offender is not known or cannot be found, or when opium not in the possession of any person cannot be satisfactorily accounted for, any authorised officer may, after due inquiry, order the confiscation of such opium.

18. Opium confiscated under the regulations shall be disposed of in one of the following ways, *viz.* :—

- * (1) It may be retained by the Darbar as part of the opium required for consumption within the State, the duty levi-

able in respect of which the British Government has agreed to relinquish, and shall then be issued to licensed vendors for sale within the State, the price to be charged by the Darbar to the licensed vendors and the price to be charged by the vendors to the customers being the same as those mentioned respectively in clauses 4 and 5 of the agreement with the British Government; or

- (2) It may be forwarded to the Political Agent or Dépôt with a list of rewards that may be ordered to be awarded under clause 19, and the Political Agent after deducting from the sale proceeds thereof the amount of pass fee due on the quantity of opium and paying off the rewards to the persons concerned, will make over the balance (if any) to the Darbar. All other articles so confiscated shall be disposed of as the Darbar may order.

19. Any authorized officer convicting an offender under clause 14, or ordering the confiscation of opium under clause 16 of these regulations, may grant in such proportions as he thinks fit, to informers and any other persons who have contributed to the seizure of the opium or the conviction of the offender, a reward not exceeding the value of the opium and other articles confiscated in the case *plus* the amount of any fine imposed. In all cases, except when otherwise expressly ordered by the Darbar concerned, at least one-half the value of the opium and other articles confiscated *plus* the fine realised shall be distributed as rewards among the informers and captors concerned.

20. Any authorized officer may—

- (a) at any time enter upon, and search, any premises on which he has reason to believe opium liable to confiscation under these regulations is manufactured, kept or concealed, and to seize any such opium and all materials used in the manufacture thereof;
- (b) detain, search and arrest any person whom he has reason to believe to be guilty of any offence relating to such opium;
- (c) seize in any open place, or in transit, any opium or other thing which he has reason to believe to be liable to confiscation under clause 16 of these regulations.

21. Any State officer who without reasonable ground of suspicion enters or causes to be entered or searched any building, vessel or place, or vexatiously and unnecessarily seizes the property of any person on the pretence of seizing or searching for any opium or other thing liable to confiscation under these regulations, or vexatiously and unnecessarily detains, searches or arrests any person, shall for every such offence be punished with fine not exceeding Rs. 500.

22. Any authorized officer may issue his warrant for the arrest of any person whom he has reason to believe to have committed a breach of

these regulations, relating to opium, or for the search of any premises in which he has reason to believe opium liable to confiscation is kept or concealed.

APPENDIX C.

The fees on plaints, petitions of appeal, and applications presented to the Civil Courts of the Rewa Kantha Agency will be computed and levied in accordance with the following rules and regulations:—

(I) The amount of fee payable in the suits next hereinafter mentioned shall be computed as follows:—

- (i) In suits for money (including suits for damages or compensation, or arrears of maintenance or arrears of annuities or of other sums payable periodically) according to the amount claimed.
 - (ii) In suits for maintenance and annuities or other sums payable periodically according to the value of the subject matter of the suit, and such value shall be deemed to be ten times the amount claimed to be payable for one year.
 - (iii) In suits for moveable property other than money, where the subject-matter has a market value according to such value at the date of presenting the plaint
 - (iv) In suits—
 - (a) for moveable property where the subject-matter has no market value, as for instance, in the case of documents relating to title;
 - (b) to enforce the right to share in any property on the ground that it is joint family property;
 - (c) to obtain an injunction;
 - (d) for a right to some benefit (not herein otherwise provided for) to arise out of land; and
 - (e) for accounts,
- according to the amount at which the relief sought is valued in the plaint or memorandum of appeal.

- (v) In suits for the possession of land, houses and gardens according to the value of the subject-matter and such value shall be deemed to be—
- (a) where the subject-matter is land, ten times the gross produce arising from the land during the year next before the date of presenting the plaint The rate of one rupee per bigha or one half part of an acre may be considered to be the average annual gross produce, unless the Court considers that the rate is obviously insufficient;
 - (b) where the subject-matter is a house or garden according to market value of the house or garden.
- (vi) In suits for *vero* or *munnu mapu* or for the interest of an assignee of land revenue or haks arising out of the land, ten times the gross produce.
- (vii) In suits to set aside an attachment of land or of an interest in land or revenue, according to the amount for which the land or interest, was attached, provided that where such amount exceeds the value of the land or interest the amount of fee shall be computed as if the suit were for the possession of such land or interest.
- (viii) In suits against a mortgagee for the recovery of the land mortgaged and in suits by a mortgagee to foreclose the mortgage according to the principal money expressed to be secured by the instrument of mortgage.

(2) If the Court sees reason to think that the annual gross produce or the market value of any land, house or garden has been wrongly estimated, the Court may, for the purpose of computing the fee payable, issue a commission to any proper person directing him to make such local or other investigation as may be necessary and to report thereon to the Court.

(3) If, in the result of any such investigation, the Court finds that the gross produce or market value has been wrongfully estimated, the Court, if the estimation has been excessive, may in its discretion refund the excess paid as such fee.

But if the estimation has been insufficient, the Court shall require the plaintiff to pay so much additional fee as would have been payable had the estimation been right.

In such case the suit shall be stayed until the additional fee is paid. If it is not paid within such time as the Court shall fix, the suit shall be dismissed.

(4) In suits for mesne profits, or for immoveable property and mesne profits, or for an account, if the profits or amount decreed are in excess of the profits claimed or the amount at which the plaintiff valued the

relief sought, the decree shall not be executed until the difference between the fee actually paid, and the proper fee (payable if the suit had comprised the whole of the profit or amount so decreed) shall have been paid to the Court.

(5) Where the amount of mesne profits is left to be ascertained in the course of the execution of decree, if the profits so ascertained exceed the profits claimed, the further execution of the decree shall be stayed until the difference between the fee actually paid and the fee which would have been payable (had the suit comprised the whole of the profits so ascertained) is paid. If the additional fee is not paid within such time as the Court shall fix, the suit shall be dismissed.

(6) Every question relating to valuation, for the purpose of determining the amount of any fee chargeable under these rules on a plaint or memorandum of appeal, shall be decided by the Court in which such plaint or memorandum as the case may be, is filed and such decision shall be final as between the parties to the suit.

But whenever any such suit comes before a Court of Appeal, reference or revision, if such Court considers that the said question has been wrongly decided to the loss of the Mewas Administration Fund, it may require the party by whom such fee has been paid to pay so much additional fee as would have been payable had the question been rightly decided and the provisions of Rule (3) shall apply.

(7) If an appeal or plaint which has been rejected by the lower Court is ordered to be received, or if a suit is remanded in appeal for a second decision by the lower Court, which had thrown it out on a preliminary point, the Appellate Court shall grant to the appellant a certificate authorising him to receive back the full amount of fee paid on the memorandum of appeal.

Provided that if in the case of a remand on appeal the order of remand shall not cover the whole of the subject-matter of the suit, the certificate so granted shall not authorise the appellant to receive back more than so much fee as would have been originally payable on the part or parts of such subject-matter in respect whereof the suit has been remanded.

(8) Where an application for a review of judgment is admitted and where on the re-hearing the Courts reverses or modifies its former decision on the ground of mistake in law or fact, the applicant shall be entitled to a certificate from the Court authorising him to receive back the fee paid on the application.

But nothing in this section should entitle the applicant to such certificate where the reversal or modification is due, wholly or in part, to fresh evidence which might have been produced at the original hearing.

(9) When any appeal is presented to a Civil Court, not against the whole of a decision but only against so much thereof as relates to a portion of the subject-matter of the suit, and on the hearing of such appeal

the respondent takes an objection to any part of the said decision other than the part appealed against, the Court shall not hear such objection until the respondent shall have paid the additional fee which would have been payable had the appeal comprised the part of the decision so objected to.

(10) Claims for inheritance, maintenance from or partition of Estates which have not hitherto supported the jurisdiction rights of a Ruling Chief may, unless the Political Agent thinks fit to withdraw them, be heard as civil suits.

(11) No document of any of the kinds specified in the annexed schedule as chargeable with a fee shall be filed, exhibited or recorded in any of the Courts of the Rewa Kantha Agency or shall be received or furnished by any Political Officer, unless in respect of such document there be paid a fee of an amount not less than that indicated in the said schedule as the proper fee for such document.

(12) All fees referred to in the annexed schedule shall be collected by Court-fee stamps current in the Rewa Kantha Agency.

(13) No document requiring a stamp under the annexed schedule shall be filed or acted upon in any proceeding in any of the Rewa Kantha Agency Courts until the stamp has been cancelled. Such officer as the Court or the Head of the office may from time to time appoint shall, on receiving any such document, forthwith effect such cancellation by punching out the figure head so as to leave the amount designated on the stamp untouched, and the part removed by punching shall be burnt or otherwise destroyed.
